In loving memory of our dear little granddaughter, Stephanie Jean Torrence who died 1 year ago Feb. 21, 1979 age 10.
When days are dark and lovely and everything goes wrong.
We seem to hear her whisper
"Cheer up and carry on"
Each time we look
at your picture
You seem to smile and say
"Don't grieve
I am only sleeping
I'll see you again someday."

Local students shadow engineers

(Continued from Page 11)

for area high school students interested in an engineering career. Six students from Appomattox County High School were invited by AIIE, Chapter 101 President John R. Mallory, Jr. to participate in an "in the shop" session in which the student spent the afternoon "shadowing" an engineer in one of the area industries. Following this afternoon session, each of the ACHS students received a meal provided by his host of the local industry.

Parents and school counselors were invited to join the high school students in an evening session at the General Electric Auditorium, Mountain View Road, Lynchburg. During this meeting graduate engineering students from VPI & SU presented their engineering theses, after which students had the opportunity to meet members of the local chapter of the AIIE, Professional Engineers; other students, as well as other engineers from area industries.

Pictured above are four ACHS students participating, from left to right, Karl Ewers, Gerry Hanse, Dale Garrett and Philip Jacobs. Karl was assigned to Lynchburg Foundry at Archer Creek, Gerry went to General Electric, Dale to Armstrong Furniture and Philip to Meredith/Burda, Inc. Not available for the picture were two other students, Todd Almond who will report to Armstrong Furniture and Carroll Rankin who will shadow an engineer at Babcock and Wilcox Nuclear Materials Division.
